SPECTATOR STANDS

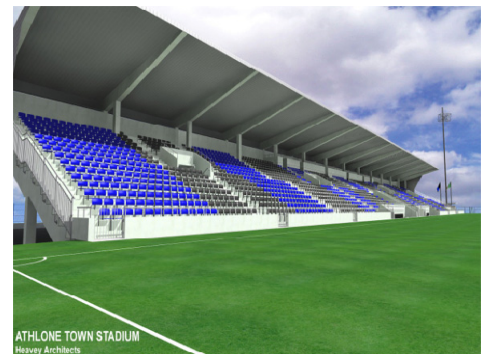

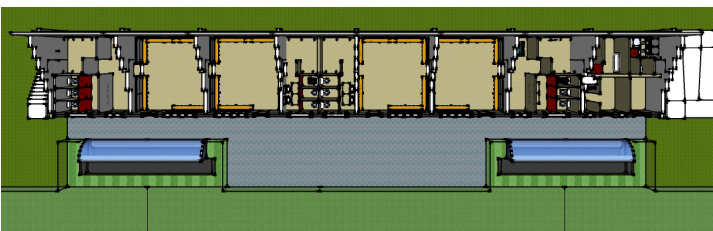

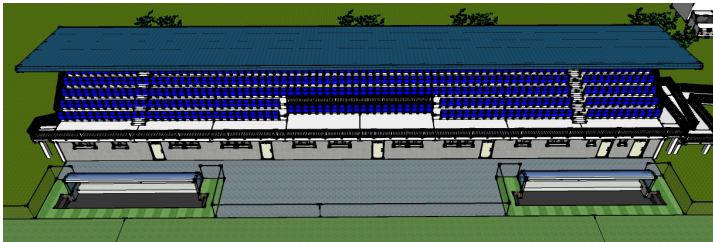

INTRODUCTION

Banagher Concrete Ltd has gained a reputation which has become synonymous with high quality products and customer service, placing us at the forefront of the construction and civil engineering industry. With over 32 years experience behind us we continue to design, manufacture and install precast and prestressed products for national and international construction projects. Our dedicated team of over 350 staff are all committed to providing a professional and responsive service.

Banagher Concrete Ltd have been involved in the construction of spectator stands throughout Ireland for the past number of years. Previous projects include:

- »O'Connor Park Tullamore
- »Mallow GAA Ground
- »Athlone Town FC
- »O'Moore Park Port Laoise
- »Dr Hyde Park Roscommon
- »Gaelic Grounds Limerick
- »Terryland GAA
- »Carrick on Shannon GAA
- »Leinster Rugby Grounds Donnybrook
